### About This Content

A promotional graphic for the 'Dapper DLC Pack'. It features a dark blue background with bright, sparkling light effects. A large white question mark is centered on the left. To the right, the text 'What should we add next??' is written in a yellow, outlined font. Below this, a list of three bullet points is shown: 'An evolving DLC to support FortressCraft Development', 'Community Forum feedback drives the continuation of additional bonus features.', and 'What would you like to see in the DLC?'. In the bottom right corner, there is a small illustration of a character wearing a top hat. At the bottom, the word 'Dapper' is written in a large, white, outlined font, followed by 'Support the Devs' and 'DLC PACK' in a smaller, yellow font.

Can't get enough FortressCraft? Here is your chance to help out the development team directly with the all new Dapper DLC Indie Supporter's Pack!

Producing games is a monumental effort for small Indie teams, one that requires a lot of time, hard work and love. The FortressCraft team has poured thousands of man hours into making this game better and better and we thank our community for all their support and positive feedback, as we continue to patch the game features and add even more content to the game. We want to give our community members a way to contribute to the progress of improving this game while also getting something a

little extra in return, so we have released this DLC to give you the opportunity to support us and receive a pack of fun, community driven addons for the game we all love to play.

Currently the DLC includes the following features but stay tuned for even more community driven feature updates like specialty equipment, alternate skins, new blocks and so on!

- Bonus skin for ARThER robot, outfitting him in a dapper hat, monocle and stylish stache.
- Dapper Union Jack Skin for Player, ARThER and Spiderbot
- 6 new colorizable room lights included with patch 18 (2/22/2018)
- 4 new Creative Blocks including Diamond Studded Gold, Golden Window Frame, VIP block and Golden Scales
- Halloween themed Pumpkins and Colored Lights
- Buildable Winter Snowman
- New Colorizable Glow Sticks

So log into the forums and voice your opinions, we are listening and we do appreciate your help and feedback. Thank you for supporting our Indie Dev dreams and helping us continue to make this game better and better!

**Updated May 25th**

**Updated December 23rd**

Wishing you all a happy holiday from the EOE development team!

**Updated October 28th**

\*Note DLC feature updates are all optional to the FortressCraft game itself, all updates and features added to this patch will not be required to play the main game nor do they supersede development of the main game's feature set.
